# Revised Common Lectionary Expanded Daily Readings—Year B

*Church Year 2026—2027; 2029—2030; 2032—2033, etc.*

The foundational premise of these daily readings is their relationship to the Sunday and festival lectionary. The readings are chosen so that the days leading up to Sunday (Thursday through Saturday) prepare for the Sunday readings. The days flowing out from Sunday (Monday through Wednesday) reflect upon the Sunday readings. The Revised Common Lectionary Sunday and Festival readings are indicated by boldface type; additional daily readings are not provided for these days.

Consult *Revised Common Lectionary Expanded Daily Readings* (Augsburg Fortress, 2024) for a fuller explanation of the background and principles of this daily lectionary, together with full rubrics, brief reading descriptors and complete indexes. This proposed version of the original 2005 list has been expanded to include three readings and a psalm/canticle for each day.

Permission is granted to individual congregations and similar non-profit, non-commercial groups to reproduce excerpts from the table of readings, provided the reproductions are for the group's own onetime, local worship and educational activities and are not for sale.
